

**L'Arche Saskatoon is on a mission  
to help people grow – which  
means we have to grow too!**

L'ARCHE  
saskatoon

**care**  **van**

CAMPAIGN

Right now we're turning people away from our L'Arche Workshop because our van is full – we have no empty seats. We need an additional van to transform the way we serve our community, and our goal is to have it on the road by January 2020.

**To do this, we need to raise  
\$26,500 by Christmas.**

**Will you help us get our campaign rolling?**
