# care van

CAMPAIGN

**I'm helping L'Arche Saskatoon  
fundraise for a new caravan.**

**Will you help get my  
campaign rolling?**

About the campaign:

L'Arche Saskatoon is on a mission to help people grow. Right now they're turning people away from their L'Arche Workshop because their current van is full – they have no empty seats. They need an additional van to transform the way they serve their community, and their goal is to have it on the road by January 2020. To do this, they need to raise \$26,500 by Christmas.

**My goal is  
to raise:**
